2nd International Discrete Fracture Network Engineering Conference
- DFNE 2018
June 20-22, 2018
Westin Hotel, Seattle WA, USA

The Second International Discrete Fracture Network Engineering Conference is almost here! Running from June 20-22, 2018 at the Westin Seattle, DFNE 2018 will take place in conjunction with ARMA 2018 Seattle, the 52nd US Rock Mechanics/Geomechanics Symposium (armasyposium.org). Please click [here](#) to view the "At a Glance" table outlining the draft DFNE 2018 program as of June 1. With five keynote plenary presentations, over 90 oral technical presentations and 20 poster presentations scheduled, DFNE 2018 is shaping up to be another success. If you have not yet registered as a delegate, it is not too late to do so – please go to the joint ARMA/DFNE 2018 conference website to register and for full ARMA 2018 / DFNE 2018 conference details.

GeoEdmonton 2018 - Canadian Geotechnical Society
September 23-26, 2018 Shaw Conference Centre, Edmonton AB, Canada The Geotechnical Society of Edmonton and the Canadian Geotechnical Society (CGS), in collaboration with the Canadian National Chapter of the International Association of Hydrogeologists (IAH-CNC), invite you to GeoEdmonton 2018, the 71st Canadian Geotechnical Conference and the 13th Joint CGS/IAH-CNC Groundwater Conference.

The theme for GeoEdmonton 2018 is Transportation Geotechnique - Moving Forward. Much of Canada's prosperity is founded on its vast network of railways, pipelines, highways, and waterways. This conference intends to highlight recent achievements in transportation development and their associated geohazards. The technical program will cover a wide range of geotechnical and hydrogeological topics, including specialty sessions that are of local and national relevance. In addition to the technical program and plenary sessions, the conference will include a complement of distinguished keynote speakers, high calibre short courses, social events, and technical tours.

For more information and to register, please see our website.
2018 TAC/NASTT-NW Tunnelling and Trenchless Conference
October 8-9, 2018
Fantasyland Hotel, Edmonton AB, Canada

The Tunnelling Association of Canada and the Northwest Chapter of the North American Society for Trenchless Technology are pleased to welcome you to TT2018, the 2018 TAC/NASTT-NW Tunnelling and Trenchless Conference. Featuring the theme Innovation in Underground Infrastructure, the two-day conference will include plenary presentations, technical sessions, and a trade exhibition all designed to highlight innovation in tunnelling and trenchless technology – throughout Canada and around the world.
